TEACHING EXPERIENCE

Environmental Economics, ECON 860, PhD course, Simon Fraser University, Summer 2017, 2018, 2019, 2021
Environmental Economics Seminar, ECON 460, Simon Fraser University, Fall 2016, Spring 2018, 2019, 2020, 2021

REMARK: I introduced a new teaching tool to 460: "The Video Method". This method is particularly beneficial for our international students. I wrote a detailed prescription and a report how to implement this method and today other professors are adopting it.
